

## **NEW YORK WING**

### **HOMELAND SECURITY PROGRAM**

**Goals: To “Network the Area of Operations” and provide Imagery Products to civilian emergency management officials and military unit commanders in New York State.**

**Objectives: Assist the Groups and their component Squadrons in developing their own capability to capture, process, and disseminate digital photographs and Single Frame TV images by:**

- 1. providing program definition, guidance, and leadership**
- 2. providing technical information, recommendations, and support**
- 3. providing coordination to support education and training in the Groups**
- 4. providing direction and explanation to assist in supporting the Wing Commander's Homeland Security policies**
